

Israel Tribunal Rules on Guilt of Eichmann

By THOMAS A. REEDY

JERUSALEM (AP)—Israel convicted Adolf Eichmann of "unsparingly" crimes against the Jews and said his role in the Nazi program would be remembered "until the end of time."

The special three-man tribunal, which for four months tried the 55-year-old Gestapo lieutenant colonel, handed down its judgment today, a judgment which may bring him death on the gallows.

In a 300-page judgement which they began reading aloud in turn, the three judges determined that Eichmann was proved to be such an important cog in Hitler's machinery for destroying the Jews that he merited conviction on three major counts:

1. Crimes against the Jews.
2. Crimes against humanity.
3. War crimes.
4. Membership in the criminal Nazi SS (Elite Guard) and SD (security police) organizations.

Presiding Judge Moshe Landau started the reading of the findings based on a 15-count indictment and four months of testimony in the case, which opened April 11, almost a year after Israeli agents flushed Eichmann out of hiding in Argentina and spirited him back to Israel.

Eichmann stood in his bullet-proof, glass-enclosed cage as the court intoned judgment.

Now bald and bespectacled, Eichmann squared his shoulders and heard the judgment without blinking as though he fully expected it and was braced for it. He had told the court last July he knew he would be found guilty, and that he faced the death penalty.

Death is the maximum penalty under the Nazi and Nazi collaborators' law on which Eichmann is tried. But the court will not announce sentence until the end of the week or the beginning of next week.

Arkansas Plane Carries Scientist

LITTLE ROCK (AP)—When business or speaking engagements take famed rocket scientist Werner von Braun to various parts of the country, he flies in a plane owned by the Arkansas Aviation Sales Co.

Von Braun, director of the George C. Marshall Space Flight Center at Huntsville, Ala., already has made three flights in the Arkansas-based plane.

Jimmy Woodard of Arkansas Aviation Sales, said the Little Rock firm recently won the contract to fly von Braun in its 40-passenger twin-engine Convair after Woodard and two other company pilots passed security and flying tests.

When von Braun is aboard, the plane carries a Code 4 flight clearance and only the President, vice president and Secretary of State have higher priority, Woodard said.

Cotton Quota Vote Tuesday in Hempstead

Chairman of the Hempstead County Agricultural Stabilization and Conservation Committee, Claude Self, said today that the date, December 12th, has been set as the day on which growers of upland cotton will vote in a referendum on marketing quotas. This year will be the ninth year in a row, in which growers have voted on cotton quotas. Growers have approved quotas for the crop each year since 1954. For 1961, almost 97 percent approved, the quotas.

For 1962, 10,551 acres have been allotted to Hempstead County. This is the county's share of the national allotment acreage of slightly over 18 million acres.

Two-thirds of the cotton growers voting must approve the quotas for them to remain in effect. Individual farm allotment notices will be mailed to cotton growers in advance of the December 12th referendum.

The Office Manager, Cecil Guthrie, said that at least two-thirds of the growers voting must approve the quotas if marketing quotas on cotton are to remain in effect for 1962. If quotas are approved, excess cotton produced next year will be subject to marketing quota penalties. Full price support will be available to farmers who stay within their acreage allotments.

The ASCS official said if the quotas are not approved, there'll be no quotas and no penalties. Price support to the farmers who comply with their acreage allotments would then be available at only 50 percent of parity. This is the law.

Notices of farm allotments will be mailed to cotton growers before the December 12th vote.

The Hempstead County Agricultural Stabilization and Conservation Committee said today that the notices of individual cotton farm acreage allotments are being mailed to farmers. All growers of upland cotton in this county, who engaged in the production of upland cotton in 1961, are eligible to vote in the coming December 12th referendum on cotton quotas.

Claude Self, the county committee chairman, said that polling places for casting ballots in the referendum have been selected.

He gave the locations in the county as follows:

- A — Spring Hill, Kidd's Store
- B — Palmos, Jones' Store
- C — Shover Springs - Rocky Mount, Sebastian's Store
- D — Hope, ASCS Office and Hempstead County Farmers Store
- E — Fulton - Guernsey, Cox's Store
- F — Cross Roads - McNab, Gilbert's Store
- G — Washington - Columbus, Washington Hardware
- H — DeAnn - Baird's Chapel, Samuels Store and Burke's Store
- I — Blewins - Sweet Home, Foster Store and Lee's Store
- J — McCaskill - Belton, Rhodes Store
- K — Ozan - Sardis, Matthew's Store
- L — Bingen, Wolff's Store.

Polls will be open from 8 a. m. to 6 p. m.

Bride Called to Active Duty

SELMA, Ala. (AP)—Archie Mitchell says "things have been mighty quiet around here" since his bride was called to active duty.

Mitchell, a stock broker, and the former Thelma Walker, a member of the Army Reserve Nurses Corps, were married Aug. 22. Her reserve unit was called up and sent to Ft. Polk, La., Oct. 15.

"She'll be coming home for Christmas," Mitchell said happily.

Russia Breaks Relations With Albania

By LEWIS GULICK

WASHINGTON (AP)—The diplomatic break between Albania and the Soviet Union raised prospects today for further cracks appearing in the once seemingly solid Communist world.

U.S. experts figured a logical next step would be Albania's expulsion from the Warsaw Pact, the Moscow-directed military alliance of European Communist countries, and withdrawal of relations with Iran by the Soviet Union's European satellites.

Especially awaited was the reaction of Communist China, hitherto Albania's patron, because the Soviet-Albanian rupture focused the spotlight on Peiping's rivalry with Moscow.

Whether the Red Chinese follow suit on the Soviet break with Albania or whether they openly flout Moscow by maintaining friendship with the tiny Balkan state, the omens of further friction in the Communist camp were pleasing from the Western view.

Undersecretary of State George W. Ball saw the Moscow-Iran break as "evidence of a very considerable amount of discontent and disagreement in the Communist bloc."

U.S. authorities were not prepared to say that Albania has left the Soviet bloc, as Yugoslavia did when kicked out of the Cominform in 1948. In general, Washington counts as Soviet bloc members those whose foreign policy is Moscow-controlled.

Nor was any prediction available that the United States would soon extend aid to Albania, as it has to Communist Yugoslavia and Poland—still a member of the Soviet bloc. Albania has been getting aid from Red China and Albania's Communist leader Enver Hoxha has said he would not accept assistance from the West.

Washington officials were careful to point out that the Soviet-Albanian withdrawal of diplomatic representatives, announced Sunday through the official Albanian news agency Ata, was just a further deterioration in a rift between the two countries which has been widening for some time.

From a strategic standpoint, Albania—a mountainous Mediterranean land about the size of Maryland with a 1.5 million population—is unique among European bloc countries in that it has no common border with the bloc. Its land neighbors are Yugoslavia and Greece.

Teacher's Loyalty Oath Ruled Void

WASHINGTON (AP)—The Supreme Court ruled today that Florida's loyalty oath as applied to teachers in public schools.

Justice Stewart delivered the unanimous decision, which found the state law unconstitutional.

The ruling was given on an appeal by David Walton Cramp Jr., a teacher in Orange County, Fla., for nine years. He lost his job for refusing to take the oath.

Cramp said he was not a Communist or a member of any organization believing in violent overthrow of government. His refusal to take the loyalty oath was based on the belief it violated constitutional guarantee of freedom of speech, thought and association; also the guarantees of due process and equal protection of law.

The Florida law requires all public employees to swear they are not Communists and not members of organizations which teach violent overthrow of government. The law calls for immediate discharge of any public employee who refuses to take the oath.

Stewart's opinion said the oath requirement is lacking in "terms susceptible of objective measurement."

"Those who take this oath," the justice said, "must swear that they have not in the unending past ever knowingly lent their aid, or support, or advice, or counsel or influence to the Communist party."

Mail Early, Post Office Urges Public

Postmaster Robert Wilson announced today that the 1961 "Mail Early For Christmas" campaign is now in high gear, but he expressed concern because mailing of Christmas gift packages seem to be lagging and too many people do not realize the need for careful packing and wrapping of their cherished Christmas gifts.

He stated, "It's hard to understand why people will be so careless about putting valuable Christmas gifts into the mails in flimsy boxes and loosely wrapped packages. Many of these poorly wrapped gifts simply cannot stand the necessary handling, and thus cause much delay and disappointment all around."

The Postmaster said further, "I cannot emphasize too strongly the importance of careful Christmas mailing procedures. For example, it's best to print the recipients' full name, street address, city, zone number and state on each mailing label, making sure to include an extra label inside your gift packages."

For your added convenience, the parcel post and stamp window will be open on weekdays including Saturdays from 8 a. m. to 6 Monday-December 11 through Saturday, December 23.

All parcels for any destination should be mailed now, but not later than December 15.

He reminds us that we can make it a merrier Christmas for everybody if we'll just follow these three simple rules: Wrap our Christmas gifts securely — Address our cards and gifts correctly — and mail them now!

Voting Is Close in Australia

SYDNEY, Australia (AP)—The trend of votes took a surprise turn in the past 24 hours, promising a photo finish in the week-end general election and putting the future of Prime Minister Robert G. Menzies' Liberal-Country party in doubt.

Labor party leader Arthur A. Calwell conceded defeat Saturday night, but late today political observers said Labor still had a slight chance for victory.

The government had apparently won 60 seats in the 122-member House of Representatives. Labor apparently had 55 and 7 were in doubt. If Labor won all seven, it would win the election and unseat Menzies, but political observers considered this unlikely.

Injuries Are Fatal to Mitchell Kidd

Mitchell Lee Roy (Butch) Kidd, aged 21, succumbed Saturday in a Little Rock hospital to injuries suffered Friday night in an auto wreck on Highway 67, just beyond Fulton. He worked for Hope Auto Co.

Mr. Kidd was a passenger in an auto driven by Charles Brown, 18, of Hope. Two other passengers in the car were Jerry Marlin, 18, and Jimmy Oshurn, 19, both of Hope.

State Policeman Dwight Pankey said the accident occurred at the first bridge west of Red River. The car was traveling west. Pankey said Brown apparently lost control on the rain-slick pavement and the car crashed into the bridge abutment. Kidd was thrown from the car onto the pavement. The others escaped with only minor injuries.

He is survived by his wife, Mrs. Linda Kidd, a son, Travis Lee Kidd; his parents, Mr. and Mrs. Woodrow Kidd; two brothers, Don of Spade, Texas, and Zale Frank Kidd of Hope and a sister, Mrs. Duane Saska of Hope.

Services will be held at 10:30 Tuesday at Herndon-Cornelius Chapel by the Rev. James Shadock. Burial will be in Memory Gardens.

Active pallbearers: Andy Caldwell, Alvin Hucklebee, D. L. Rogers, Lee Little, B. G. Tripp and W. L. Tate.

Court Rules on TV Rent to Motel

LITTLE ROCK (AP)—The Arkansas Supreme Court affirmed today a Garland Circuit Court ruling that National Wells Television, Inc., of New York had a valid contract to furnish television sets at the Jack Tar Motel.

The 6-1 decision ordered Jack Tar of Arkansas, Inc., to pay National Wells money due on the contract between July 1958 when Tar quit making payments and April 30, 1960, when the contract expired.

The contract, originally negotiated in 1955, called for Tar to pay 40 cents a day for each of 40 television sets for a period of 56 months.

In another Garland County case, the Supreme Court upheld a pro-union contract decision denying a test of the will of Mrs. Caryl

'Peace Bomb' Test Termed Successful

By ALTON BLAKESLEE

Associated Press Science Writer CARLSBAD, N.M. (AP)—Scientists counted blessings of knowledge from the first underground atomic "peace bomb" explosion Sunday despite the escape of a cloud of radioactive gas.

They reported 70 per cent success in getting data on major scientific programs, but major mysteries remain.

The judged the steaming radioactive cloud hadn't hurt anybody or anything, although its unexpected fallout partially blocked nearly 300 observers.

The specially designed five-kilo-ton atomic device was detonated a quarter-mile underground. It was in a chamber at the end of a buttonhook tunnel dug 1,100 feet through salt rock from a vertical mine shaft. This Project Gnome hole alone cost \$1 million, the total drill nearly \$6 million.

A main objective was to learn what happens when a nuclear blast, equivalent to 5,000 tons of TNT, occurs in salt rock. Scientists hoped it might form a cavity partly full of molten salt and steam, and wanted to see if enough steam could be brought up to operate turbines and generate electricity.

The earth shock produced a moderate earthquake in Carlsbad, 23 miles away, where a waitress saw "an itty-bitty Santa Claus shaking on a drug store counter." It didn't harm the Carlsbad Caverns, 34 miles west, or potash mines, kept empty of people when the blast detonated.

Seismic measurements obtained near and far may help show the difference between the "signature" of an earthquake and a secret nuclear underground bomb test.

The blast apparently turned the chamber room into a leaky boiler, said Dr. Philip Randolph, Livermore, Calif., deputy technical director of Gnome.

Somehow, the leak sent radioactive gases up the mine shaft, a white steam turning into an invisible but quickly dying cloud of radioactive gas. A filter in the shaft head apparently stopped solid particles, said Dr. Randolph.

Atomic Energy Commission officials said the gas swept away over essentially unpopulated areas. But for more than three hours they blocked the direct road to Carlsbad until radioactivity across the road died down. And "for good housekeeping," the AEC washed seven cars caught between blockade points.

Son of Hope Man Dies in California

Alvin Eugene Gunn, 57, South Gate, Calif., died in a Los Angeles hospital Friday night, December 8 after undergoing surgery. Survivors include his widow, Mildred, his father, A. B. British Ask UN Policy Explanation

LONDON (AP)—Britain announced today it will not deliver the 24 half-ton bombs it promised to U.N. forces in Katanga until the United Nations explains its Congo policies more clearly.

The announcement was made in the House of Commons by Edward Heath, lord privy seal and deputy foreign minister, in a stormy session on the Katanga flareup.

Heath stressed that Britain supports the general U.N. objective of reconciling rival Congo factions and removing foreign mercenaries from the forces of President Moise Tshombe. But he said the British government is now "seriously disturbed by the way the fighting has developed." The British offered the 24 half-ton bombs to the U.N. forces last week but stipulated that they would have to be used only for defense. Sharp questions arose here and in the Congo as to how air bombs could be used for defense.

Violence Claims Two in This Area

By THE ASSOCIATED PRESS

Harsh weather contributed to eight accidental deaths in Arkansas in three days and brought the week's total of violent deaths for the week ended at midnight Sunday to 15.

Eight died in traffic accidents last week, six between Friday and Sunday when snow, sleet, rain and fog made highways hazardous.

Two drowned in high water brought by rain and one died of exposure.

Carolyn Ann Watson, 16, Negro of Waldo, drowned in rain-swollen Beech Creek one mile east of Waldo on U.S. Highway 42 Sunday when her mother's car plunged off a rain-slick highway.

John Taylor, 54, of Proctor, Ark., was killed Saturday night when struck by a car on U.S. Highway 79 about 11 miles southwest of West Memphis near Lehigh. State Police said he apparently was hit by a hit-run driver, then his body was struck by another car, driven by David Dees Jr., 21, of West Memphis. The hit-run driver was being sought.

Mitchell Kidd, 22, of Hope, died Sunday in a Little Rock hospital of injuries suffered when the car in which he was riding went out of control and threw him out on U.S. Highway 67 one mile west of Fulton on a wet highway.

Jesse Harston Jr., 50, of Bassett, was killed Saturday night when the car in which he was riding went out of control, overturned and burned one-fourth mile west of Bassett on a county road south of Wilson, Ark.

Mobs Raid U. S. Consulate in Elizabethville

By PETER GROSE

LEOPOLDVILLE, the Congo (AP)—Mobs raided the U.S. consulate in Elizabethville Sunday and stoned the U.S. embassy in Brussels as the United Nations threw out a peace overture to end the fighting in the secessionist Congo province now in its seventh day.

Gen. Sean McKeown, the Irish commander of the U.N. task force in the Congo, said Katanga President Moise Tshombe has lost control of his rich province and white mercenaries representing foreign interests are directing the fighting.

Gen. McKeown, on a flying visit to Elizabethville, told newsmen: "There are indications that Tshombe realizes the hopelessness of his position but we don't think he could stop the fighting, even if he wanted to."

Acting U.N. Secretary-General U. Thant said in New York he would welcome "any initiative aimed as speedily and peacefully as possible." He said the U.N. aims were to restore law and order in Katanga and to "assure our freedom of movement."

Thant and Adlai E. Stevenson, chief U.S. delegate to the United Nations, insisted the U.N. forces were fighting a defensive action without political motive. Both made clear, however, they hoped for a unified Congo.

Britain's Foreign Minister Lord Home in London called for an immediate cease-fire and urged unity negotiations between Tshombe's regime and the central Congo government in Leopoldville.

A mob of 200 Katanga youth league members broke windows in the U.S. consulate in Elizabethville, forced their way into the building and stole all the cigarettes they could find. They were ejected by Tshombe's official guard. None of the consulate staff was hurt.

In Brussels, about 250 pro-Katanga demonstrators shouting "Kennedy to the gallows" stoned the U.S. Embassy and clashed with police, who drove them off.

Rocket-firing U.N. jets struck Sunday at two key Katanga installations in Elizabethville—the postoffice in the heart of the capital and the main Katanga military camp.

A Katanga official spokesman in Elizabethville charged a U.N. jet killed several African women and children in a strafing attack on Lukafu village, near Jadotville. The spokesman also said Christophe Mwamba, a Katanga deputy, his wife and two children were killed—possibly the same jet—while traveling by car in the Jadotville area.

The United Nations prepared leaflets to tell the people of Katanga that it "has no wish to interfere in Congolese politics."

U.N. planes will scatter the leaflets—printed in French and Swahili—over the province telling the Katangans "the United Nations is your true friend."

They said the U.N. force had come to the Congo, "at the request of your legitimate government (in Leopoldville) to help your country preserve its independence and unity," to keep law and order and "to save you from chaos, famine, ruin and civil war."

Dynamite Damages Railway Bridge

NELSON, B.C. (AP)—Dynamite damaged a railroad bridge near a communal village of the Sons of Freedom Doukhobors religious sect near here Sunday.

Royal Canadian Mounted Police said about 30 sticks of dynamite blew a four-foot chunk from a supporting pier of the bridge and ripped up a section of track. A crude timing device was found.

The ones of Freedom and British Columbia icals have been at odds or years. Doukhobors have accused police of oppressing them and police had charged the Freedomites with lawlessness.

Faubus Accused of an Outright Lie

LITTLE ROCK (AP)—Gov. Or-
val F. Faubus has been accused
of "an outright lie" in saying a
suit filed against the governor's
omnibus appropriation act didn't
have the best interest of the state
at heart.

Pulaski Rep. J. H. Cottrell, who
filed the suit in which the Arkan-
sas Supreme Court ruled an omni-
bus act unconstitutional, referred
to the Faubus statement as a lie
in a weekend interview. Cottrell
said "If Gov. Faubus had the best
interest of the (State) hospi-
tal and the state at heart he
would have divided the money
properly in a constitutional man-
ner in the first place."

Faubus' remark about the per-
sons who filed the suit, came last
week when a new maximum secu-
rity building for the State Hospi-
tal was dedicated.

Cottrell added that if the gov-
ernor had legally divided the
funds which were in the omnibus
bill "it would not have been nec-
essary to file a lawsuit" to compel
obedience of the constitution.

Proclamation

"WHEREAS, it is appropriate
that on the anniversary of De-
cember 15, 1791, when the first
ten amendments known as our
Bill of Rights became effective
as a part of the Constitution of
the United States, all the people
of the nation become increasingly
aware of the supreme importance
of preserving and protecting our
heritage of freedom and our es-
sential rights as citizens set forth
in our Bill of Rights; and

WHEREAS, the people of the
City of Hope are always zealous in
their support of all things which
promote the attainment of our na-
tional purpose of securing the
blessing of liberty to ourselves
and our posterity;

NOW, THEREFORE, I, Frank
Douglas, Mayor of the City of
Hope, Arkansas, do hereby desig-
nate Friday, December 15, 1961, as
Bill of Rights Day, and I urge all
the people of this City on that day
to join the people of other cities
and communities throughout the
land in reacquainting themselves
with our Bill of Rights and their
significance to us as a free
people.

And I urge that on that day the
people in the homes, schools,
churches, courts, service clubs,
women's clubs and wherever they
may be, take time to read the
provisions of the Bill of Rights,
and, by appropriate observance
and consideration, reflect upon
our responsibilities as recipients
of this great heritage.

Snowstorm Spreads Over the Rockies

By THE ASSOCIATED PRESS

A new snowstorm came out of
the Rockies today as winter smote
the nation with disagreeable
weather that included record sub-
zero temperatures, road-blocking
snow, flooding rains and shatter-
ing winds.

The weather was a factor in the
deaths of at least 55 persons since
a previous snowstorm crossed the
Midwest Friday night.

Two major roads in eastern
Arizona were closed by snow
drifts measuring up to 22 inches.
The new storm forced schools to
close today in San Juan County
in northwestern New Mexico.

Snow depths in New Mexico
ranged from 8 inches in Raton to
20 at the Nageezi trading post in
San Juan County.

Snow fell from northern Arizona
into Wyoming and the Dakotas
and eastward. Heavy snow, with
accumulations of 4 inches or more
headed toward Kansas, Nebraska,
northwest Oklahoma and the
northern Texas Panhandle.

One to 6 inches of new snow
was expected in southwestern
Oklahoma.

Sleet and freezing rain moved
from New Mexico, across north-
western Texas, eastern and southern
Oklahoma toward southern Kan-

sas and southern Missouri.
Ice glazed major highways in
the northern half of New Mexico,
northern Texas and Oklahoma.
Autos were lined up for 3 miles on
the Turner turnpike east of Okla-
homa City Sunday until trucks
sanded the pavement.

Snow or snow flurries were in
store for the upper Mississippi
Valley, the northern Great Lakes
store for the upper Mississippi
Valley, the northern Great Lakes
region, parts of the Ohio Valley
and New England.

Flooding rains fell on Louisiana,
Alabama and Georgia.

A child drowned in a rain-swol-
len creek at Mobile, Ala., Sunday.
Mobile reported 3.53 inches of
rain in 12 hours Sunday. Small
streams in the area were flooded.
Tombigbee River at Jackson, Ala.,
was expected to crest 2 feet above
flood stage today.

An inch to 1½ inches of rain
fell in Louisiana and Mississippi,
with minor floods in some places
after weekend totals of 10 inches
of rain.

Twelve persons were injured
Sunday by a tornado that struck
the southern Alabama town of
Brewton, destroying seven houses
and damaging 12 others.

Convictions for Sit-ins Set Aside

WASHINGTON (AP)—The
Supreme Court overturned today
conviction of 16 Negroes who by
sit-in demonstrations tried to end
lunch counter segregation in Ba-
ton Rouge, La.

The ruling was given in the
first sit-in cases to reach the high
tribunal. There have been many
such demonstrations in the South.
Chief Justice Warren delivered
the unanimous decision.

Warren said that while the ar-
rested persons had raised broad
constitutional questions in their
appeals, the court found it un-
necessary to decide the wide is-
sues.

Instead, said Warren, the court
bases its decision on the ground
that the convictions "are so total-
ly devoid of evidentiary support
as to render them unconstitutional
under the due process clause
of the 14th Amendment."

The 16 Negroes, all students of
Southern University in Baton
Rouge, were convicted under a
Louisiana law making it a breach
of the peace to "act in such a
manner as to unreasonably dis-
turb or alarm the public."

Each was sentenced to four
months in prison, with three more
months to be suspended on pay-
ment of \$100 fines.

In three appeals, the Negroes

asked a final ruling that their
arrests deprived them of rights
guaranteed by the due process
and equal protection clauses of
the Constitution.

Two of the Negroes were ar-
rested at a "white" lunch counter
in Sit-man's Drug Store; seven
at a similar counter in a Kress
chain store; and seven at a
"white" lunch counter in the
Greyhound bus station in Baton
Rouge.

Workers S. S. Class Meets With Mrs. Grady Hairston

On December 7 the Workers Sunday School Class of Garrett Memorial Baptist church met in the home of Mrs. Grady Hairston for an annual Christmas party. The meeting was opened with prayer by Miss Gwen Frith. Mrs. Gladys Roberts brought an interesting devotional reading from the second chapter of Luke using the word "Christmas" as the theme, followed by a song "Stand Up For Jesus" and Christmas carols. The group then exchanged and opened gifts.

The hostess served fruit cake, candy and cold drinks to 15 members.

Gardenia Garden Club

The Gardenia Garden Club had a Christmas potluck luncheon Thursday, December 7 at the Guy Basye Lodge on the Palmos Road. Seasonal decorations such as holly and Christmas ornaments gayly decorated the lodge.

As the meal was eaten Christmas music was played softly in the background. Each member brought a corsage she had made, and they will be dispensed to a local nursing home.

Mrs. Henry Haynes was a special club guest, and she told the story, "Anniversary" by Margaret E. Sangster, in a very interesting manner. Several games were played by the 18 members and one guest.

Hostesses for the Yuletide meeting were Mrs. Guy E. Basye, Mrs. Lyle McMahon, Mrs. Lloyd Hendrix, Mrs. Edwin Walshall, and Mrs. John Randolph.

Bridge Club Meets

Two tables of club members met with Mrs. Tom McLarty on Friday, December 8 for bridge. The hostess used pyracantha berries as colorful decoration in her home. Winning prizes for high scores were Mrs. H. C. Whitworth and Mrs. R. E. Cooper. A salad plate was served with coffee for refreshments.

Dr. and Mrs. Jim Gentry Thomas of New York City were the weekend guests of Mr. and Mrs. Bill Routon.

Good Movies Not Always Good on TV

By CYNTHIA LOWRY

AP TV-Radio Writer
NEW YORK (AP)—It was painfully apparent again Sunday night that a good old movie does not necessarily convert into a good new television program.

The most recent in a long string of demonstrations of this thesis was "Notorious" in NBC's disappointing "Theatre-62" series of movie adaptations. The live and lavish remake was a pedestrian, often boring spy thriller in which there was practically no character development.

Even the fact that our heroine had a past—that was the basis for the title—was quickly glossed over and all that was left was a lot of rushing around in big, beautiful sets and hunting for microfilm in champagne bottles.

It is said that the one-hour TV format is hard to work but it seemed that during about one half of the hour, Barbara Rush (who looks and acts a lot like Loretta Young) and George Grizzard just necked on camera. Joseph Cotton too, had little to do.

The program came shortly after a two-hour repeat of "The Wizard of Oz" on CBS, an old, old movie that seems to gain rather than lose charm with annual repetition.

One only hopes that they don't decide to make that one again with some new kid taking Judy Garland's place.

Robert Crea's "Come Again to Carthage," on CBS Friday night was an original drama, well produced and well acted. It was the story of a young nun, played by Piper Laurie, who returns to her family after six years to find her father dying, her mother an alcoholic and her sister's marriage on the rocks.

At the hour's end, the father died, the mother made a step toward sobriety and the girl went

DOROTHY DIX

Tables Turned; Her Children Are the Spies!

By HELEN WORDEN BASKIN

Dear Helen: I've just received the shock of my life! I am a self-supporting widow who must work and reach out for inner strength to keep afloat. While not claiming to be perfect I've always respected my children's privacy—particularly in regard to their mail.

Some time ago I told my son and daughter-in-law that a personal letter, addressed to me, was being mailed care of them at their home, as I was going on a trip. When I returned, they sheepishly handed me the letter, with no comment. I went to my car to read it and only then noticed that the letter had been opened. The enclosure—a sealed envelope, had been cut sharply but neatly at one end, with scissors, then the outer envelope sealed with tell-tale marks. Both my son and his wife are college graduates!

To say I was heartbroken doesn't express it. Next time I'll tent a post box—right? Meanwhile, should I speak up, or forever hold my peace? —V.

Dear V.: For your son's sake, speak up, not in anger but in sorrow. Unless he and his wife are made fully aware of the crime they've committed, they might be guilty of something far worse next time. Moral deflections, such as the one you describe, are, as Solomon so wisely put it, "Like the little foxes that spoil the vines." Implore them to restore your faith in them for your own peace of mind, as well as theirs.

Dear Helen: I met a boy at carnival who runs the merry-go-round. His parents work in the carnival, too. That's his life.

We met last autumn, on an Indian summer day. The music played and everybody was happy. For us it was love at first sight. I paid for my first merry-go-round ride. He wouldn't let me pay for any more. The whole afternoon was a beautiful dream.

When I told my parents, they were horrified. My dad is a very respected man in our community. He belongs to 10 clubs and says his reputation will be ruined if I continue to see this carnival boy. My mom says he probably has a girl in every state and most like-

back to the convent, all having learned lessons of some sort. But just exactly what Crea, one of the few Catholic dramatists writing in TV, was trying to point out, was obscure—at least it has eluded this puzzled viewer.

Gary Morton, Lucille Ball's new husband, made his TV debut on Ed Sullivan's show Sunday night. He told some mildly amusing jokes, did some imitations (including James Cagney, of course), and sang a bit. His style of comedy is something like that of Jack Carter.

Velda Says —

This week we are presenting two of the best pictures of the year and we urge you to take time out and see them both.

Tonight and Tomorrow Night "THE GUNS OF NAVARONE" has more suspense and excitement than "Bridge of River Kwai" . . . and is sure to win Academy Award honors.

Starting Wednesday — **Elvis Presley's** best show, "BLUE HAWAII" will entertain everyone! It's a tour of the islands and Presley sings 14 songs and romances six girls.

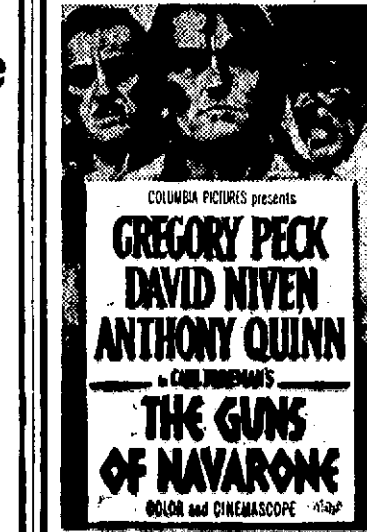

Take my word for it and come down to **The Saenger** this week. You'll be glad you did.

Pledges Fight to Handle Union Wars

BAL HARBOUR, Fla. (AP)—

Walter Reuther today pledged an all-out fight to commit the AFL-CIO to a tough new system for handling labor's internal wars and to a multimillion-dollar organizing drive.

The industrial unions headed by Reuther made it clear at a caucus Sunday night that unless the AFL-CIO convention adopts their proposals they will step up their battling with rival building trades.

The building trades called a meeting of their own today to decide their course. It was strongly indicated in advance they will veto the industrial union's proposals.

Reuther laid his prestige in the labor movement on the line in promising to fight to the end to win convention endorsement of his policies. Since some of the constitutional changes he is seeking would require a two-thirds convention vote, he faced a tough hurdle.

Reuther heads the Auto Workers Union and the AFL-CIO industrial union department. He told reporters he will lead a convention drive for:

A compromise dispute settlement plan, his would let outside umpires decide which of two feuding unions is right over such matters as membership raiding, work rights, boycotting products made by members of a rival union, and name-calling.

A determined new organizing drive. Reuther renewed his offer to put up \$1 million as a starter from his own Auto Workers Union.

A renewed effort to organize farm workers into unions. The federation started such a drive several years ago but abandoned it. Reuther said the labor movement has a deep obligation to bring "economic justice" to agricultural workers.

Rosenbaum Burgauer, who died Sept. 18, 1959, at the age of 79. Mrs. Burgauer's sister, Ruth Cahn, and Mrs. Cahn's son, A. I. Cahn, were named as principal beneficiaries.

The will was contested by Mrs. Burgauer's brother, Willard L. Rosenbaum, and two children of another brother — S. A. Rosenbaum and Mrs. Pauline Korman.

Those contesting the will contended Mrs. Cahn exerted undue influence on her sister. The Supreme Court said it found no evidence to support this contention.

In other decisions, the Supreme Court: Affirmed an Ashley Circuit Court order granting workman's compensation benefits to Jewell Wayne Childers, for a hernia he suffered while working for the Crossett Co. Feb. 12, 1960.

Affirmed a Baxter Chancery Court finding that land belonging to Mr. and Mrs. James E. Geary and Mr. and Mrs. Claude Kirksey not be equitably divided without being sold and the money divided.

Affirmed an Arkansas Chancery Court order directing Adolph Renschler of De Witt to transfer to Little Rock Alcoholics Anonymous No. 1 the full amount of savings and checking accounts once deposited to its name in a De Witt bank.

At one time, several De Witt persons were members of the Little Rock AA chapter and Renschler was the organization's treasurer.

On October 30, 1958, the De Witt group formed its own organization and Renschler wrote checks dividing a \$2,300 savings account and a \$53.57 checking account between the two units.

The Little Rock unit filed suit.

The U.S. Weather Bureau at Little Rock forecast only occasional rain with scattered thundershowers through Tuesday, turning colder again on Wednesday.

State Police said all roads in the state were clear of the glaze. Today's high was expected to which hampered weekend motor-traffic near 40 in the northwest, causing at least eight fatal accidents.

Rainfall during the last 24 hours southeast. Low tonight generally was heaviest in the Camden area in the 40s.

Hope Man Addresses Meet

FRANK McLARTY OF HOPE AUTO COMPANY, HOPE, Ark., is shown here addressing a session of the National Ford dealers Council in Dearborn, Mich. Mr. McLarty is representing Ford dealers of the Southwest sales region at a meeting held on December 8 to discuss market reactions to the division's 1962 product line. The Ford Dealer Council, now in its 16th year, is composed of 21 Ford dealers from throughout the country. The Council discusses with Ford Division and Ford Motor Company management suggestions and recommendations made by the division's 6,700 dealers at the regional and district levels.

Ministers of Allies Hope to Agree

By TOM OCHILTREE

PARIS (AP)—The Western Big Three foreign ministers met today in hopes of settling serious policy differences and agreed to work for a united, peaceful Congo.

U.S. Secretary of State Dean Rusk, British Foreign Secretary Lord Home and French Foreign Minister Maurice Couve de Murville were joined at lunch by West German Foreign Minister Gerhard Schroeder. Later the discussion was to turn to Berlin.

The chief U.S.-British aim in the talks was to persuade the French government to drop its adamant opposition to negotiations with the Soviet Union for some sort of compromise on the future of West Berlin.

A French spokesman said the morning session was devoted only to the Congo and Southeast Asia. As the three ministers conferred, Foreign Minister Paul-Henri Spaak of Belgium sent a cable urging them to ask acting U.N. Secretary-General U Thant for an immediate cease-fire in Katanga, the Congo. He said the Belgian people were shocked by the U.N. military action in the former Belgian colony.

The issue of Katanga has arisen to plague the Western Allies just as they were preoccupied with finding a common approach to the question of negotiating with the Soviet Union.

The United States has backed the use of U.N. force to restore order in Katanga with an airlift of military supplies. The British government has objected to the use of force, and France has no sympathy for the entire U.N. operation in the Congo.

There was no indication that differences over Katanga had been ironed out. Conference officials limited themselves to the statement that the three powers agreed on the broad aims for the Congo. They include the consolidation of the entire country under a stable government to prevent a slide into civil war and anarchy.

The reintegration of the break-away Katanga province with the central Congolese government should be done by conciliation, the three Allies agreed.

The foreign ministers' conference will merge into the broader annual review of the North Atlantic Treaty Organization Wednesday.

Welfare Plan Change Aims at Abuses

WASHINGTON (AP)—

Secretary of Welfare Abraham A. Ribicoff announced today 10 administrative changes in the federal-state public assistance program. He said they are aimed at eliminating abuses, helping people get off relief, and strengthening family life.

Ribicoff told a news conference the changes, approved by President Kennedy, are the first steps in a broad program for welfare revision.

Legislative changes will be proposed to Congress next year, he said, and further administrative changes are also under study, but he did not detail these.

The changes, in brief, will require that:

Each state establish a special unit responsible for locating deserting parents of children who are applicants for or recipients of public assistance. The special unit will seek to reunite families whenever feasible and to obtain financial support. And

No Change in Arkansas Cases

LITTLE ROCK (AP)—

Atty. Gen. Frank Holt said today U. S. Supreme Court reversal of Louisiana's sit-in conviction apparently will have no effect on similar cases pending in Arkansas.

Holt said two sit-in cases, each with several defendants, now are being considered by the Arkansas Supreme Court.

"It seems to me the Louisiana cases were based on insufficiency of evidence," Holt said.

"As I understand the news dispatches, the Supreme Court did not rule on constitutionality of so-called anti-sit-in laws. Therefore, it would seem that each sit-in case still stands on its own merits."

Declares UN Destroying Katanga

By ADRIAN PORTER

ELISABETHVILLE, Katanga, the Congo (AP)—President Moise Tshombe declared today the United Nations' aim in current fighting is to reduce considerably if not to destroy "the economic potential of my country."

Katanga's secession from the Congo was not the target.

After a weekend of air raids and counter raids, Tshombe said Katanga's communications have been largely cut by U.N. attacks on the postoffice and radio transmitters and the most important mitters and modern copper factories in the peace and threatened breach of the peace. Race is not mentioned in the laws.

Cincinnati Faces First Major Test

By THE ASSOCIATED PRESS

Cincinnati, one of the Giants of college basketball, faces its first major obstacle tonight in a tough Drake team that has showed a big scoring punch in winning two games.

Cincinnati, defending NCAA champion and ranked second in the season preview Associated Press poll, chalked up its 23th straight victory with an 86-67 romp over Wisconsin Saturday.

Coach Ed Jucker then hustled from the afternoon game to personally scout the impressive Drake team that crushed Illinois College 110-48. It was the second straight for Drake and pushed its average to an even 100 points per game.

Ohio State, led by All-America Jerry Lucas, skipped by its first two major challengers, Wichita and Wake Forest, and now takes a week off.

The Buckeyes (4-0) crushed Wake Forest's third-ranked Deacons 84-62 at the top of the week-end schedule. Against Wake Forest, Ohio State held only a 37-31 halftime lead, but broke it open with 13 straight points soon after intermission. Lucas scored 23 points in part-time service.

All other ranked teams in action came through on schedule, though Seattle, No. 10, got a scare from Idaho before pulling out a 69-68 decision.

Providence, ranked fifth, got another good performance from its two giants, 6-10 Jimmy Hadnot and 6-11 John Thompson, in a 75-61 breeze past St. Francis of Brooklyn. Hadnot had 28 points and 17 rebounds, Thompson 21 points and 19 rebounds.

All-America Terry Dischinger threw in 23 points and Mel Garland scored 26 in Purdue's (no. 6) 91-66 triumph over Detroit. Kansas State (no. 8) got its third straight in an 88-73 verdict over Indiana.

Strong West Virginia added impetus to its drive for a national ranking with a 96-79 thumping of previously unbeaten Furman. Rod Thorn got 30 points as West Virginia took its fourth in a row.

Shoats Come From Behind for Victory

FAYETTEVILLE, Ark. (AP) — Arkansas' freshmen Shoats came from behind in the last 36 seconds Saturday night to beat Oklahoma City University's frosh 65-60 and remain unbeaten in three basketball games.

James Bane led the Shoats in scoring with 18 points and Garland Ridenour, who had played quarterback in a football intra-squad game in the afternoon, hit two long field goals in a late rally that brought the Shoats from five points behind in the last 36 seconds.

State Meets Stout Oklahoma Team

JONESBORO, Ark. (AP) — Arkansas State gets one day of practice today to prepare for an invasion by Southwest Oklahoma for a two-game basketball series the all-events division with 1,910. Tuesday and Wednesday nights.

Arkansas State went down to its second with 1,883 and J.M. Kelley first defeat of the season Saturday of Pine Bluff was third with night, 80-77, to Murray, Ky. Jim Jennings scored 29 points and Leo W. Nonnenkamp of Little Rock won the singles division with 734 pins. M. Cagle Jr. of Pocahontas was second with 716 and Baker led Murray held on. Gaylon Ward of Texarkana was third with 712. State with 22 points and four Tom Newton and Woody Wahlstedt of Little Rock won the doubles event with 1,303 pins. D. Wallace and P. Grummer of Conway were second with 1,300 and Hite Tiner and R. Randle of Pocahontas were third with 1,286.

Don Shadley got 17 and Gary Holland scored 14. Murray is 3-1 and State is 2-1 for the season.

Near present-day 46th Street and the East River in New York City, the royalist troops hanged Nathan Hale as a spy.

Hogs Working on Sugar Bowl Plays

FAYETTEVILLE, Ark. (AP) — The Sugar Bowl-bound Arkansas Razorbacks began practice in earnest today for their New Year's Day title with top-ranked Alabama.

The Hogs will workout in home territory until after Christmas when they'll travel to Baton Rouge to use Louisiana State's training facilities.

LSU will have left by then for Miami in preparation for the Orange Bowl and its meeting with Big Eight Champion Colorado. In Saturday's rehearsal, Coach Frank Broyles sent the third unit, the reserve team and freshmen through and intra-squad tussle, using the Razorback offense against the expected Crimson Tide defense.

Many first and second unit players watched the scrimmage from sidelines and saw what to expect at New Orleans Jan. 1. Broyles declined to comment on the practice session, saying he wanted to view films to see how well the offense showed up.

Harrison Team Best Bowlers

PINE BLUFF, Ark. (AP) — Harrison Bowl of Harrison won the team event of the Arkansas State Bowling Tournament with a score of 3,116 as the meet wound up Sunday.

Leo Oil Co. of Pine Bluff was second with 3,093 and Curry's Termite of McGehee was third with 3,009.

Darr Baker of Texarkana won the all-events division with 1,910. Grover Williams of McGehee was second with 1,883 and J.M. Kelley first defeat of the season Saturday of Pine Bluff was third with night, 80-77, to Murray, Ky. Jim Jennings scored 29 points and Leo W. Nonnenkamp of Little Rock won the singles division with 734 pins. M. Cagle Jr. of Pocahontas was second with 716 and Baker led Murray held on. Gaylon Ward of Texarkana was third with 712. Randle of Pocahontas were third with 1,286.

At least 20 countries have borrowed the tune of "God Save the Queen" for their national anthems.

Grambling Keeps Basketball Title

GRAMBLING, La. (AP) — Undeclared Grambling retained its Grambling invitational basketball title Saturday night with a 75-73 victory over Arkansas A&M.

Hershel West scored 23 points and 6-foot-10 Willis Reed and 6-foot-8 Charles Hartnett dominated the backboards to overcome a 36-point performance by Arkansas' James Allen. Grambling, defending NAIA champs, has won four straight this season.

Billy Cannon Sets a New AFL Record

By HAROLD V. RATLIFF Associated Press Sports Writer

There was some question in early season whether Billy Cannon, the Louisiana State All-American who had been no ball of fire in his first year of pro football, would make the Houston team. Cannon scored five touchdowns, rushed for 216 yards to break the league one-game record and caught passes for 114 yards Sunday as the Oilers beat New York 48-21 and held the lead in the Eastern Division of the American Football League.

As a result, Houston clinched no worse than a tie for the title and became prohibitive favorite to take it all since now only lowly Oakland remains to be played.

That would set up a repeat of last year's championship game in which Houston locked the Los Angeles Chargers, now San Diego, in San Diego, which already has the Western Division championship, beat Buffalo 28-10 while Dallas bashed Denver 49-21 in other Sunday AFL games.

Boston, which whipped Oakland 35-21 Saturday night, remained a game back of Houston in the Eastern Division race and could tie for the championship if the Oilers falter next Sunday at Oakland and the Patriots nip San Diego.

It was something of a novelty to see somebody take the play away from busy George Blanda, the Houston quarterback.

But it so happened that Cannon had the finest individual day of the year. Cannon's 216 yards rushing wiped out the 158-yard record set by Abner Haynes of Dallas Nov. 26 against Oakland. The five touchdowns tied the record for one game hung up by Haynes on the same day.

San Diego had trouble with Buffalo but called on its defense to overcome a 10-point deficit, then had Jack Kemp come off the bench and pass it to safety. So what affair since neither club is going anywhere.

Fry Considered for SMU Job

DALLAS (AP) — Hayden Fry, an assistant Arkansas Razorback football coach, is scheduled to talk here Wednesday with Southern Methodist officials about the SMU head football coach job.

Two other candidates, Bo Hagan of Rice and Claude Gistrap of Arlington State, will precede Fry. Hagan will be interviewed today and Gistrap Tuesday.

At stake is the position held the past five years by Bill Meek who was dismissed last week after a 2-8 season.

Fry came to the Arkansas Campus from Baylor where he was also an assistant.

Baylor Bears Humiliates Utah State

By THE ASSOCIATED PRESS

Chapter One of this year's bowl saga is over and Chapter Two of the ever-lengthening series is coming up this weekend in Philadelphia and Houston.

In Philadelphia's Liberty Bowl, Syracuse, led by All-America halfback Ernie Davis, tackles a hot Miami (Fla.) University team. The third Bluebonnet Bowl game will be played in Houston's Rice Stadium, pitting Kansas against Rice.

Both games will be nationally televised.

There are still plenty more to come, continuing Dec. 24 with the North-South game in Miami. The following seven days will be crisscrossed with bowls and all star games.

The debut of the Gotham Bowl this past weekend was a 24-9 success for Baylor's Bears over previously unbeaten, but once-tied Utah State. The promoters say they'll be back for more in 1962. Syracuse, with Heisman Trophy winner Davis the big selling point, brings a 7-3 record to the Liberty Bowl against the Hurricanes. The Florida team won its last five games, and also finished with a 7-3 mark.

Kansas brings a 6-3-1 record against Rice's 7-3, but the Jayhawks John Radl, a jack-of-all-football-trades, gives them a slight edge over the Southwest Conference Owls. A capacity house of 76,000 is expected.

In other games over the weekend, New Mexico's strong running game powered past Western Michigan 28-12 in the Aviation Bowl at Dayton, Ohio; Pittsburg (Kan.) State won the NAIA title in the Camellia Bowl, at Sacramento, Calif., beating Linfield (Ore), 12-6; Florida A&M's Rattlers squeezed by Jackson (Miss.) State for the mythical national Negro collegiate title in Miami's Orange Blossom Bowl, 14-8; Ft. Eustis defeated the Quantico Marines 25-24 for the inter-service title in the Missile Bowl at Orlando, Fla.; and in the Junior Rose Bowl at Pasadena, Cameron (Okla.) Junior College beat Bakersfield (Calif.) Junior College 28-20.

Second Deer Season Opens

LITTLE ROCK (AP) — The state's second of three split deer seasons opened today with only bucks legal targets, except on four small, privately-owned islands. The season runs through Saturday. The state Game and Fish Commission reported a record kill of 13,000 in the first season. The final session runs Dec. 29-31.

Defending Champ Tech Drops Game

By THE ASSOCIATED PRESS

State Teachers, Ouachita and Henderson came through the first two rounds of Arkansas Intercollegiate Conference basketball unbeaten but defending champion Arkansas Tech slipped in a first round game with Arkansas College.

The Scots whipped Tech 83-75 but took a 67-66 beating at the hands of State Teachers later in the week.

Not a single AIC team is unbeaten in season action. State Teachers has the best mark 6-1, Ouachita is 4-1 after a 57-56 loss to Louisiana College Saturday night.

The two Arkadelphia schools, Ouachita and Henderson, appear ready to contend vigorously for the title. Henderson's Jim Reppo may be one of the finest guards the conference has seen in years, and Ouachita's Wayne Davenport will rival him.

Ken Saylor of Tech leads the conference in scoring with an average of better than 34 points per game. Tech is 2-1.

The big game this week comes Friday night, with State Teachers meeting Tech in Russellville.

The College of the Ozarks won its first sports event of the year Saturday night, tripping Little Rock University 53-45 in Little Rock. The victory gave the Mountaineers a 1-3 record for the season.

The three leaders will be favored in Tuesday night's action. Teachers meets Arkansas A&M at Conway, Ouachita visits Southern State at Magnolia and Henderson plays host to Harding at Arkadelphia.

Arkansas College tries for a comeback in a home game with Hendrix in Batesville.

Arkadelphia Here Tonight for 2 Games

By VINCE POSTER Hope Star Sports Editor

Tonight at Jones Field House the Hope Bobcats and Bobkittens, both unbeaten this season, tangle with the Junior and Senior teams from Arkadelphia. Also at Spring Hill the "B" team and Junior Girls will be trying for their second wins of the season over two tough Spring Hill teams. Also the Senior Girls will try to break into the win column as they will be meeting a mediocre Girls team of Spring Hill.

The Bobcats opened their 1961-62 season two weeks ago with Arkadelphia there and escaped with a 46-45 victory. Since then the Cats have defeated Prescott four points and Gordon by 28 points. The Bobkittens had better luck at Arkadelphia and slipped through with a 36-17 win. Anyway you look at it however, these visitors are going to make it tough for the Hope teams tonight.

Also the "B" team really has its work cut out, as they meet the boys from Spring Hill who boast a 10-1 record. The Junior Girls with a decisive win over Emmet Friday, may make it two in a row tonight, and the Senior Girls will be fighting for their first win tonight.

Tomorrow night the Bobcats and Bobkittens play host to two very tough teams from Nashville. The Scrappers came out over Arkadelphia last Thursday by some 30 points and may put the first stopper on the Cats. The Senior Girls enter the Nashville Tournament Tuesday, while the Bobcats enter the Magnolia Tournament Wednesday.

Back the Cats and Kittens to tonight in their bids for another win over Arkadelphia. Remember the first game starts at 7 p. m. at Jones Field House.

Productive Era Seen by Fulbright

GASSVILLE, Ark. (AP) - Predicting the beginning of a prosperous and productive era, Sen. J. W. Fulbright, D-Ark., dedicated the first project authorized under the Area Redevelopment Administration here Saturday.

Fulbright praised efforts of the people of Marion and Baxter counties who approved a \$535,000 bond issue to build a plant for the Mar-Bax Shirt Co.

The city received a \$129,000 grant and a \$31,000 loan from the federal government for a water system which was required before the shirt company agreed to locate here.

Fulbright said "many large cities have over - industrialization while we (Arkansas) have under-industrialization," and he added the redevelopment program will contribute to decentralization of

industry.

The new plant already has 500 employees but expects this number to eventually reach 1,000.

"Many of our people do not want to leave these beautiful hills...all they want is a place to work," Fulbright said.

Rep. Jim Trimble, D-Ark., who introduced Fulbright, lauded the Stuttgart, vice president, George senator's aid in helping to bring Purvis of Little Rock was named federal projects to Arkansas.

Eichmann Figured Conviction

EDITORS: This review of the Eichmann case is for use anytime but is designed for background in connection with the sentencing, due early this week.

By GARYN HUGHES

JERUSALEM (AP) - Adolf Eichmann, 36, accused of being a major cog in Nazi Germany's plot to exterminate the Jews, faces his Israeli judges for a verdict he predicts will go against him.

Tried for crimes against the Jewish people, the former Gestapo colonel told the court last July:

"I know that I will be found guilty as an accomplice to murder. I know that I face the death penalty and I do not ask for mercy for I am not worthy of this."

His three judges have weighed Eichmann's words and the evidence presented in a four-month trial which ended Aug. 14. They have reviewed the testimony of more than 100 witnesses, many of whom pictured Eichmann as a relentless hunter of the Jews who never let up, even when he was standing in the dust of the Third Reich.

Eichmann denied legal guilt for the massacre of six million Jews wiped out in the Nazi program. Unmoved by masses of documentary evidence and testimony, Eichmann argued he only carried out orders and never acted on his own.

Prosecutor Gideon Hausner repeatedly pressed Eichmann to admit he was more than a cog in the Nazi murder apparatus.

"No, I cannot admit this," Eichmann said. "If carrying out orders led to deportations and if some of these deported Jews met their deaths, then the question must be examined from a legal viewpoint to determine if I am guilty of what happened. On moral grounds, yes, I am guilty."

Eichmann faces sentencing on 15 counts of an indictment charging him with crimes against the Jews and against humanity under terms of the Nazi and Nazi collaborators' law adopted in Israel in 1950.

His counsel, Dr. Robert Servatius, said:

"The new plant already has 500 employees but expects this number to eventually reach 1,000."

"Many of our people do not want to leave these beautiful hills...all they want is a place to work," Fulbright said.

Rep. Jim Trimble, D-Ark., who introduced Fulbright, lauded the Stuttgart, vice president, George senator's aid in helping to bring Purvis of Little Rock was named federal projects to Arkansas.

Three Charges, Gets One Year

HELENA, Ark. (AP) - Multiple charges of negligent homicide, drunken driving and use of a vehicle without the owners consent resulted in a sentence of one year and five days here Saturday for Eddy Smith, 48, of Helena.

The charges arose out of a Dec. 2 accident in which Bernie H. Thompson, 51, a passenger in the truck, was killed.

Hausner introduced records of the interviews, corrected in Eichmann's own handwriting, in which the defendant portrayed himself as a kingpin in the extermination plot.

Eichmann acknowledged the corrections were his, but explained "we drank quite a lot" during the interviews.

Eichmann is quoted in the Hausner documents as saying he would "jump into my grave laughing, happy in the knowledge that five million enemies of the Reich have preceded me."

HOURS TO KILL

BY URSULA CURTIS

Chapter XXV

Cornelia must have had something else to go on. No happily married wife would suspect her husband of poisoning her because medicine didn't agree with her.

Margaret suddenly remembered that Philip's job was with a chemical firm. He might well have had business with a laboratory and the capsule might easily be a sample.

On the cover of the telephone book Cornelia had written "Lena" and then a number. After a second's hesitation, Margaret dialed it.

Lena remembered the envelope and the capsule. On being told that Margaret was to occupy the double bedroom after the Byrnes left she had prepared it thoroughly, washing and ironing the dirty curtains, turning the mattresses. Between the mattress and box-spring of Cornelia's bed she had found an envelope; about to throw it away, she had noticed that it held some kind of pill and had put it in the bedside table drawer.

Margaret told her nervously, that she had only wondered if it were something Mrs. Byrnes had forgotten to take with her. In answer to Lena's shy query as to whether she felt all right she said yes again, and thanks, and hung up.

But she did not feel all right, she felt far from all right. Margaret waited, and smoked a calming cigarette that she had to light twice, before she used the telephone again to call Jerome Kincaid.

He wasn't in his room at the motel but instead of returning her call he arrived at the house an hour later. Margaret knew from his air of controlled intensity, his carefully unburied inquiry about Hilary and about her, that he thought she was going to tell him she had heard from Cornelia and Philip. It came as a surprising stab that he was here so promptly only because she was a link to them, and directly to Mrs. Foale.

She said, "You never know Cornelia or me, did you? You wanted to get into the house because of Mrs. Foale."

His eyebrows crooked at her and then went up. "What's all this?"

Margaret gazed implacably black. "I saw you trying the door that day."

"Then you're remarkably trusting," said Kincaid with a trace of mockery. "For all you know I might have been planning all this Eastern Conference was set up time to make off with the piano. Sunday when the Giants edged I could give you a number of good Eagles 28-24 in a rip-snorter and virtuous lies about why I was at Philadelphia to go out in front trying the door, but no, I never by one game. The Browns knew you before — I'd have re-dropped out of the title chase membered — and I've never set when they were upset by the Chi-eyes on your sister Cornelia. I cago Bears 17-14."

had found out what I could about The Packers were surprised her and so I knew a little about 22-21 by the San Francisco 49ers, you, too. And I am interested in who are battling the second-place Lions for the right to represent the Western Division in the Bert Bell Memorial Bowl for the conference runners-up at Miami, Fla., Jan. 6. The Lions hold a one-game margin over the 49ers, who wind up at home against Baltimore Saturday.

In other games Sunday, Pittsburgh defeated Washington 30-14 to run the Redskins' nonwinning in which Margaret realized that streak to 23 games over two seasons (they tied three); St. Louis number was used it was possible walloped Dallas 31-13 and Detroit to send a telegram in any name got past Minnesota 13-7. Los Angeles eat Baltimore 34-17 Saturday if you were going abroad?"

A wave of irritation, probably the Giants' squeaker over the fever, swept Margaret from head Eagles. The 40-year-old quarter-toe. "I haven't the smallest back, a bench-warmer most of the season, replaced Y. A. Tittle."

"Yes, you have," said Kincaid when the Giants' attack bogged soothingly. "You'd buy new down in the second period and clothes. You might have your hair the Eagles leading 10-7. He threw done." He gave her a sharp three touchdown passes. Before glance from which all dreaminess he left the game, Tittle also hit was gone. "You would certainly Del Shofner with a 46-yard payoff

have the prescribed shots. Mrs. Foale did none of these things here."

The clothes, possibly, the visit to a beauty salon. But the passport shots, while her husband was dying? And anyway there was a certain time limit on shots. Hilary's voice came back, saying somberly, "Maybe she's shut up somewhere," and Margaret shook it off with difficulty.

"She is in Europe, she must be. She sent Elizabeth Honeyman for her mail and address book."

"Did she?"

Although he didn't move, he gave an impression of having spun argumentatively on her. Margaret said, "All right, then, you don't believe she's in Europe. Where do you think she is?"

He got up and walked to the windows. "I don't know."

Margaret forced her mind past that and gazed steadily at Kincaid's tall uncommunicative back. If he had gone to the trouble of finding out her father's name, the elementary school she had attended, a single memorable event in Cornelia's youth, he certainly knew about her past relationship with Philip. The reminder hardened her voice. "But you think Philip may know."

One shoulder lifted and dropped, dark against the shrill gold light. Kincaid said again, "I don't know," but he said it late.

Giants Need Only a Tie for Playoffs

By ORLO ROBERTSON
Associated Press Sports Writer

Selection of the opponent for the Green Bay Packers in the National Football League's title contest Dec. 31 had narrowed to two teams and two games today.

The teams are the New York Giants and the Philadelphia Eagles. They must win. And even that won't do them any good if the Giants win or tie.

The games are Sunday's Giants-Cleveland Browns encounter in New York's Yankee Stadium and the Eagles-Lions tussle in Detroit's Tiger Stadium in the season windups. A Giants' defeat and an Eagles victory would necessitate a playoff in New York Dec. 24.

The two-team situation in the might have been planning all this Eastern Conference was set up time to make off with the piano. AMERICA AFLOAT

BUDGET EUROPEAN TOUR AFFORDED BY A CRUISER

By WM. TAYLOR MCKEOWN

GOTHENBURG, Sweden (NEA)

Seeing Europe from a pleasure boat was once a pastime for millionaires.

Now it can be practical with a small modern American cruiser and a modest budget.

For the rugged offshore powerboat contest along England's channel coast we brought over a Florio-built boat to race and then cruise in foreign waters.

Each racing entry had to be fitted out for family boating with a cabin, bunks, galley, toilet, reasonable headroom and have a minimum length of about 20 feet. Radar reflector, inflatable dinghy, bilge pump, anchor and lines, lights, flares and fog horn were equipment required for the race, and recommended for cruising as well.

We chose a 24-foot Bertram boat with the Ray Hunt rigged hull that is proving popular where small craft must ride rough seas. It made an amazing showing

over the 100 miles of water mountains between Cowes and Torquay, die of history. Hotel expenses are saved, cooking can be done aboard, and though cabin space is never nearly large enough, facilities on the boat are often more modern than found in many an old-fashioned inn.

Gasoline is likely to be called petrol or benzine and be considerably more expensive. With costs of 50 to 75 cents a gallon, high horsepower engines can be hard to feed, but our Volvo Aquamatics cruised at about three gallons for 25 miles an hour, and the inboard-outboard drives made possible exploring up shallow rivers where big yachts could not go.

Sightseeing possibilities have proved unlimited. Winding rivers offer castles for check-points as you float through historical British countryside. The English Channel can be saved for a calm day, and then will follow France, Belgium and Holland seen from beautiful water level routes.

The boat can be shipped part way again by freighter to save time. A week-end brought ours from London to Sweden and a chance to cruise the fjords and islands of Scandinavia. Automobile clubs can arrange the papers necessary to pass from one country to another. Boatmen are glad to help.

But a dependable boat, charts of the waters and a history book are all that are needed for a wonderful vacation afloat.

Pleasure boats are still a happy rarity on most of Europe's peeling waters.
